Report of Principal and School Improvement Council

As part of Richland One's urban advantage, W.S. Sandel Elementary takes pride in the diversity of our school's population of 511 students. We celebrate the culture of eight different ethnic groups. In keeping with the NCLB requirement, 93.7% of the instructional staff is highly qualified in their area of instruction and 9 of the 14 instructional assistants have college degrees. There are six National Board certified teachers and five others are pursuing certification. Three teachers received incentive bonuses for making significant gains in ELA, math and/or social studies.

We continue to focus on the district's goals and initiatives with our focus on the Cycle of Continuous School Improvement, Data Teams and Classroom Walk-Throughs as a monitoring tool for student learning and classroom instruction. We utilized 2006-2007 PACT data to assess long-term needs for academic improvement. The PACT results indicate students in grades 3-4 demonstrated the most gains in all for subject areas. Benchmark results were used to address our most immediate needs and to organize small groups to address the skill gaps in Math and ELA. The STAR Diagnostic Reading Inventory is also used to monitor students' progress. This inventory is administered at the beginning of the year and during the second and third grading periods. Results are used to monitor gains in students' reading levels.

Other programs designed to assist students are the after-school tutorial program and the SuccessMaker Lab for grades 3-5. Accelerated Reading/Math and Knowledge Box are also programs designed to assist students at their individual levels in all core subject areas. The district after-school tutorial and SCE&G fund our homework and remediation programs for second- and third grade students in ELA, math and science. Our ESOL program focuses on language acquisition for non-to limited-English-speaking students. Breakthrough to Literacy is utilized in child development and kindergarten classes. Our parent educator provides an outreach program for the parents of students in the four-year-old child development program. The outreach program provides strategies and ideas for parents and also includes a monthly Books and Breakfast. The Reading Recovery Program provides one-on-one instructional interventions for first-time first-graders who have difficulty reading. The goal of this program is to bring these children's literacy skills within the average range of their peers' achievements. The Character Education Program continues to be implemented as a means to foster ethical, responsible, and caring young people. It is embedded into the curriculum and designed to provide guidelines for a safe and respectful teaching and learning environment.

Sandel continues to focus on addressing reading and mathematics as areas needing the most improvement. In order to meet the demands of moving our students to proficient and advance on the PACT, sustained effort will be continued from our students, faculty, and parents. We will continue to incorporate programs and activities that will increase parent involvement. We believe that working together we can accomplish these goals to ensure that our students have a promising future.

School Adequate Yearly Progress	NO
---------------------------------	----

This school met 10 out of 13 objectives. The objectives included student performance, graduation rate or student attendance, and participation in the state testing program.

* Definition: As required by the United States Department of Education, Adequate Yearly Progress specifies that the statewide target is met for "All Students" and for the following subgroups: Racial/Ethnic, Subsidized Meals, Disability, and Limited English Proficiency in the areas of English/Language Arts and Mathematics, as well as meeting the statewide target for "All Students" for attendance or graduation rate.

School Improvement Status	
---------------------------	--

School Improvement Key	
NI	Newly Identified-The school missed adequate yearly progress (AYP) for two years. Sanction: Offer school choice.
CSI	Continuing School Improvement-The school missed AYP for three years. Sanctions: Continue school choice and implement supplemental services.
CA	Corrective Action-The school missed AYP for four years. Sanction: Continue school choice and supplemental services. The school district takes a corrective action.
RP	Plan to Restructure-Sanctions: Continue school choice and supplemental services. Develop a plan to restructure. If the school misses AYP the next year, the school implements the restructuring plan.
R	Restructure-The school missed AYP after two years of corrective action. Sanction: Implement the restructuring plan.
DELAY	The school met AYP in all subgroups and the indicator for one year, thus the delay provision applies. The school remains in the same status as last year and is referred to as in "Delay."
HOLD	The school made progress for one year in the subject area that identified the school for school improvement. The school remains in the same status as last year and is referred to as in "Hold."
